Re: ExxonMobil Corporation, Beaumont

Case No. 16-CA-287615

DEAR MR. BEREND:

This is to advise that I have approved withdrawal of the portion of the charge alleging the Employer failed to furnish information responsive to the Union's November 8, 2021, request for, among other things, its risk management plan and compliance with certain environmental statutes, in violation of Section 8(a)(5) of the Act.

The allegation that the Employer violated Section 8(a)(5) of the Act by refusing to respond to the Union's November 4, 2021, request for information about which employees are no longer in the bargaining unit, remains before me for further processing.

Very truly yours,
